Explanation - Amendment SB028202.AJC was passed on 3/19/2013, and it restored credit provisions relating to movie and television industries and related media that were initially repealed by SB 282.

SB028202.AJC did not amend sections 15-31-907, MCA (section 32) and 15-31-908, MCA (section 33) by replacing a reference to repealed section 15-30-2131, as these sections were already in the bill due to a drafting error (see technical concern in original fiscal note). However, if the provisions relating to movie and television industries and related media are repealed by reversing the action on SB028202.AJC, then this amendment repeals the amendments to sections 15-31-907, MCA (section 32) and 15-31-908, MCA (section 33), as these provisions only operate when the movie and television industry and related media credits are in existence.

NOTE: This amendment is moved if the committee reverses amendment SB028202.AJC. The impact of this amendment is to prevent both an amendment and a repeal of the same sections.
